TERMS AND CONDITIONS

TERMS AND CONDITIONS OF USE

These Terms of Service and any terms expressly incorporated herein ("Terms") apply to any access to, or use of, any services made available by Hitech Pro4rex, Inc. ("Hitech Pro4rex") using the website www.hitechpro4rex.com (the "Site") or our mobile applications, and to any other related services provided by Hitech Pro4rex (collectively, the "Services"). By clicking on an "I Agree" button or check box presented with these Terms or, if earlier, by accessing or using any Services, you agree to be bound by these Terms.

THE ARBITRATION CLAUSE IN SECTION 18 GOVERNS RESOLUTION OF CERTAIN DISPUTES AND WAIVES ANY RIGHT TO TRIAL BY JURY OR TO PARTICIPATE IN A CLASS ACTION.

1. MODIFICATION OF TERMS

Hitech Pro4rex may modify these Terms by providing notice of such changes, such as by sending you an email, providing notice through the Services, or updating the "Last Updated" date at the top of these Terms. By clicking on an "I Agree" button or checkbox presented with the modified Terms, or by continuing to access or use of the Services, you confirm your agreement to the modified Terms. If you do not agree to any modification to these Terms, you must stop using the Services. Hitech Pro4rex encourages you to frequently review the Terms to ensure you understand the terms and conditions that apply to your access to, and use of, the Services. If you have any question regarding the use of the Site or Services, please contact our Support Team by filing a support request at <https://hitechpro4rex.com>.

2. ELIGIBILITY

2.1. General Requirements

The Services are intended solely for users who are 18 or older and who satisfy the criteria described in these Terms. You represent and warrant that you: (a) are of legal age to form a binding contract (at least 18 years old in the U.S.); (b) have not previously been suspended or removed from using our Services; (c) are not identified as a "Specially Designated National" by the Office of Foreign Assets Control; (d) are not placed on the U.S. Commerce Department's Denied Persons List; and (e) have full power and authority to agree to these Terms.

2.2. Restricted Locations

You may not use the Services if you are located in, or a citizen or resident of any state, country, territory or other jurisdiction that is embargoed by the United States or where your use of the Services would be illegal or otherwise violate any applicable law. You represent and warrant that

you are not a citizen or resident of any such jurisdiction and that you will not use any Services while located in any such jurisdiction. You also may not use the Services if you are located in, or a citizen or resident of, any other jurisdiction where Hitech Pro4rex has determined, at its discretion, to prohibit use of the Services. Hitech Pro4rex may implement controls to restrict access to the Services from any jurisdiction prohibited pursuant to this Section 2.2.

You will comply with this Section 2.2, even if Hitech Pro4rex's methods to prevent use of the Services are not effective or can be bypassed.

2.3. Enterprise User

Unless Hitech Pro4rex has provided prior, written approval to use your account for trading on behalf of a corporation or other legal entity (an "Enterprise User"), you will use the Services and your Hitech Pro4rex Account (as defined below) only for your own account and not on behalf of, or for the account of, any third party. If Hitech Pro4rex has approved your account for trading on behalf of an Enterprise User, you will use the Services and your Hitech Pro4rex Account solely for the account of the specified Enterprise User.

If you use any Services on behalf of any Enterprise User, you agree to these Terms on behalf of yourself and any such Enterprise User, and you represent and warrant that you have the authority to bind the Enterprise User to these Terms and that both you and the Enterprise User will be jointly and severally liable under these Terms for any violation of these Terms or any other act or omission by the Enterprise User or by you.

3. ACCOUNT

3.1. Hitech Pro4rex Account

In order to use any Services, you must create and maintain an account through the Services ("Hitech Pro4rex Account"). To create or maintain your Hitech Pro4rex Account, or enable functions on your Hitech Pro4rex Account, you will be required to provide Hitech Pro4rex with certain information and documentation, including, as applicable, the information and documentation associated with identity verification and other screening procedures described in Section 3.3, below. You will:

- (a) create a unique password;
- (b) provide complete and accurate information;
- (c) promptly update any information you have provided so that the information is complete and accurate at all times;
- (d) maintain the security of your Hitech Pro4rex Account by protecting your password from unauthorized access or use;
- (e) promptly notify Hitech Pro4rex if you discover or suspect any unauthorized access or use of your Hitech Pro4rex Account or any security breaches related to your Hitech Pro4rex Account; and
- (f) be responsible for all activities that occur under your Hitech Pro4rex Account, and accept all risks of any authorized or unauthorized access to your Hitech Pro4rex Account.

3.2. Enhanced Security

Hitech Pro4rex may offer optional enhanced security features for your Hitech Pro4rex Account (including, for example, two-factor authentication). Hitech Pro4rex encourages, but may not require, you to use any such enhanced security features. If you do enable enhanced security features, it is your responsibility to ensure the security of, and your continuous control over, any device or account that may be associated with the enhanced security features.

3.3. Identity Verification

Depending on the functions that you seek to enable on your account and Hitech Pro4rex's risk determination, Hitech Pro4rex may, in its discretion, require identity verification and other screening procedures with respect to you or transactions associated with your Hitech Pro4rex Account. These verification and screening procedures may include, without limitation, checking the information you provide against the Specially Designated Nationals and Blocked Persons list maintained by the U.S. Office of Foreign Assets Control, the U.S. Department of Commerce Denied Persons list, and any similar list issued by any U.S. governmental authority prohibiting or limiting business activities or transactions with any persons.

You may be required to provide Hitech Pro4rex with certain personal information, including, but not limited to, your name, address, telephone number, email address, date of birth, taxpayer identification number, government identification number, photograph of your government-issued ID or other photographic proof of your identity, and information regarding your bank account. You hereby authorize Hitech Pro4rex, directly or through a third party, to make any inquiries Hitech Pro4rex considers necessary to verify your identity and/or protect against fraud, including but not limited to:

- (a) query identity information contained in public reports (e.g., your name, address, past addresses, or date of birth);
- (b) query account information associated with your linked bank account (e.g., name or account balance); and
- (c) act Hitech Pro4rex reasonably deems necessary based on the results of such inquiries and reports. You further authorize any and all third parties to which such inquiries or requests may be directed to fully respond to such inquiries or requests. Hitech Pro4rex will have no liability or responsibility for any permanent or temporary inability to access or use any Services, including your inability to withdraw Tokens or execute Trades, as a result of any identity verification or other screening procedures.

3.4. Responsibility for Account Activities

You will be bound by, and hereby authorize Hitech Pro4rex to accept and rely on, any agreements, instructions, orders, authorizations and any other actions made, provided or taken by anyone who has accessed or used your Hitech Pro4rex Account regardless of whether the access is authorized or unauthorized. Upon receipt of written notice from you that the security of your account has been compromised, Hitech Pro4rex will take reasonable steps to protect your account, including, for example, to cease to allow actions initiated using any compromised account passwords. But, the first sentence of this section will continue to apply to any other account password, and any substitute password issued to replace the compromised account password.

3.5. Number of Hitech Pro4rex Accounts

Hitech Pro4rex may, in its sole discretion, limit the number of Hitech Pro4rex Accounts that you may hold, maintain, or acquire.

4. RISK DISCLOSURES; ASSUMPTION OF RISKS; RELEASE OF Hitech Pro4rex

Trading cryptocurrency, cryptographic tokens and other digital rights or assets ("Tokens"), and use of other Services provided by Hitech Pro4rex, involves significant risks and potential for financial losses, including without limitation the following:

The features, functions, characteristics, operation, use and other properties of any Token ("Token Properties") and the software, networks, protocols, systems, and other technology (including, if applicable, any blockchain) ("Underlying Technology") used to administer, create, issue, transfer, cancel, use or transact in any Token may be complex, technical or difficult to understand or evaluate. Any Token and its Underlying Technology may be vulnerable to attacks on the security, integrity or operation of the Token or its Underlying Technology ("Attacks"), including Attacks using computing power sufficient to overwhelm the normal operation of a blockchain or other Underlying Technology. Any Token, Token Properties or Underlying Technology may change or otherwise cease to operate as expected due to a change made to the Underlying Technology, a change made using features or functions built into the Underlying Technology or a change resulting from an Attack. These changes may include, without limitation, a "fork" or "rollback" of a Token or blockchain.

Any Token may be cancelled, lost or double spent, or otherwise lose all or most of their value, due to forks, rollbacks, Attacks, changes to Token Properties or failure of the Token to operate as intended. Hitech Pro4rex may suspend or cease to support the transfer, storage or trading of any Token at any time at Hitech Pro4rex's discretion. Other exchanges and service providers may do the same. Hitech Pro4rex may not support metacoins, coloured coins or other Tokens, or their related side chains or other Underlying Technology that are based on a fork, enhancement, or derivative of a different Token or Underlying Technology ("Derivative Protocols") even if the

Derivative Protocol is based on a Token that is supported by Hitech Pro4rex. Other exchanges or service providers may do the same. Hitech Pro4rex may suspend or reject your transaction requests, suspend or cease support for Tokens, or suspend or terminate your access to the Services to comply with applicable laws or regulations or an order from law enforcement or other governmental authority, for other reasons as specified in these Terms or otherwise at Hitech Pro4rex's discretion.

You may be unable to withdraw Tokens prior to Hitech Pro4rex ceasing to support transfer of any such Tokens, resulting in the loss of any such Tokens remaining in your Hitech Pro4rex Account. Any Token may decrease in value or lose all of its value due to various factors including discovery of wrongful conduct, market manipulation, changes to Token Properties or perceived value of Token Properties, Attacks, suspension or cessation of support for a Token by Hitech Pro4rex or other exchanges or service providers, and other factors outside the control of Hitech Pro4rex. Any Token may decrease in value or lose all of its value due to legislative or regulatory activity, or other government action. Government regulation of Tokens is unsettled and rapidly evolving. Any Token may be lost if sent to the wrong address (for example but without limitation, if the address is improperly formatted, contains errors, or is intended to be used for a different type of Token). For more detail about sending Tokens to an address intended for a different type of Token, please see Hitech Pro4rex's Cross chain FAQ posted here. You may be prevented from sending a transaction request, or your transaction request or email may not be received by

Hitech Pro4rex or the Services, due to hardware, software or services issues (including, without limitation, Internet and other network connectivity issues). Your transaction request or email to Hitech Pro4rex or the Services may be lost, intercepted or altered during transmission. Unauthorized third parties may access or use your Hitech Pro4rex Account and effect transactions without your knowledge or authorization, whether by obtaining the password to your Hitech Pro4rex Account, obtaining control over another device or account used by you in connection with any enhanced security measures enabled for your account, or by other methods. The risks described in this Section 4 may result in loss of Tokens, decrease in or loss of all value for Tokens, inability to access or transfer Tokens, inability to trade Tokens, inability to receive financial benefits available to other Token holders, and other financial losses to you. You hereby assume, and agree that Hitech Pro4rex will have no responsibility or liability for, such risks. You hereby irrevocably waive, release and discharge any and all claims, whether known or unknown to you, against Hitech Pro4rex, its Affiliates and their respective shareholders, members, directors, officers, employees, agents and representatives related to any of the risks set forth herein. You waive application of Section 1542 of the Civil Code of the State of California, or any similar statute or law of any other jurisdiction.

Section 1542 reads as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR."

You represent and warrant that you have: (a) the necessary technical expertise and ability to review and evaluate the security, integrity and operation of any Tokens that you decide to acquire or trade; and (b) the knowledge, experience, understanding, professional advice and information to make your own evaluation of the merits and risks of any Token or trade. You accept the risk of trading Tokens by using the Services, and are responsible for conducting your own independent analysis of the risks specific to the Tokens and the Services.

You should not acquire or trade any Tokens unless you have sufficient financial resources and can afford to lose all value of the Tokens. Hitech Pro4rex's decision to support transfer, storage or trading of any particular Token through the Services does not indicate Hitech Pro4rex's approval or disapproval of the Token or the integrity, security or operation of the Token or its Underlying Technology. The risks associated with Tokens and trading Tokens apply notwithstanding Hitech

Pro4rex's decision to support a particular Token. Hitech Pro4rex does not provide trading advice, does not have any fiduciary duty to you or any other user and does not make any warranty about the suitability of any Token for trading or ownership by you.

5. PRIVACY POLICY

Please refer to our privacy policy for information about how Hitech Pro4rex collects, uses, and shares your information.

6. ACCOUNT FUNDING; TRANSFERS

6.1. Initial Account Funding

In order to engage in a Trade (as defined below) you must first transfer Tokens that are supported by the Services to your Hitech Pro4rex Account. The Services associated with your Hitech Pro4rex Account include a wallet service provided by Hitech Pro4rex ("Hosted Wallet"). The Hosted Wallet will permit you to generate one or more addresses to which Tokens may be transferred from an account, wallet or address not hosted or controlled by Hitech Pro4rex ("External Account"). Hitech Pro4rex may require that you verify your control over an External Account or satisfy other verification or screening requirements prior to enabling transfers between the applicable External Account and your Hosted Wallet (any such External Account, an "Approved External Account").

6.2. Deposits

You may periodically at your discretion transfer from an Approved External Account to your Hosted Wallet any Tokens that are supported for transfer and storage using the Services. If you transfer to your Hosted Wallet any Tokens that are not supported by the Services, such Tokens may be permanently lost.

6.3. Withdrawals

You are required to retain in your Hosted Wallet a sufficient quantity of Tokens necessary to satisfy any open orders (and applicable Hitech Pro4rex fees). In addition, there may be limits on the amounts that you are able to withdraw on a daily or other periodic basis. Otherwise, you may periodically at your discretion withdraw Tokens by transferring Tokens from your Hosted Wallet to an address not controlled by Hitech Pro4rex ("External Address"). Hitech Pro4rex may require you to verify that any External Address to which you seek to transfer Tokens is associated with an Approved External Account. You hereby authorize Hitech Pro4rex to use your Hosted Wallet to send to any External Address specified by you using the Services, the number of Tokens specified by you using the Services. Hitech Pro4rex is not able to reverse any transfers and will not have any responsibility or liability if you have instructed Hitech Pro4rex to send Tokens to an address that is incorrect, improperly formatted, erroneous or intended for a different type of Token.

6.4. Other Terms Applicable to Transfers

You will be responsible for:

- (a) paying all fees charged by any third-party service provider associated with any External Account or External Address as well as for paying any fees charged by Hitech Pro4rex for any transfers;
- (b) ensuring that any inbound and outbound transfers are handled in compliance with Hitech Pro4rex requirements, third party service provider requirements or Token requirements;
- (c) ensuring that the address to which any Tokens are to be transferred is properly formatted and suitable for the type of Token being transferred; and
- (d) ensuring that there are no errors in any of the transfer instructions you provide using the Services. In the event you fail to comply with any requirements of this

Section 6.4, the transferred Tokens may be permanently lost. The timing for completing any transfer will depend on third party actions that are outside the control of Hitech Pro4rex and Hitech Pro4rex makes no guarantee regarding the amount of time it may take to complete any transfer. Hitech Pro4rex may impose limits on the amount of any inbound or outbound transfers, or suspend or terminate the ability to transfer Tokens into or out of your Hosted Wallet in order to comply with

applicable laws or regulations, an order from law enforcement or other governmental authority, or otherwise at Hitech Pro4rex's discretion.

7. EXCHANGE ORDERS AND TRADES

7.1. Orders; Fees

A "Trade" is an exchange of Tokens for which trading is supported on the Services between you and another user of the Services whereby you dispose of certain Tokens and acquire different Tokens. An "Order" is created when you enter an instruction to affect a Trade using the Services. When you enter an Order, you authorize Hitech Pro4rex to execute a Trade on a spot basis for all or a portion of the number of Tokens specified in your Order in accordance with such Order. You agree to pay Hitech Pro4rex any applicable fees for Trades and authorize Hitech Pro4rex to deduct any such fees from your Hosted Wallet.

7.2. No Broker or Fiduciary Relationship

Hitech Pro4rex is not your broker, intermediary, agent, or advisor and has no fiduciary relationship or obligation to you in connection with any Trades or other decisions or activities effected by you using the Services. No communication or information provided to you by Hitech Pro4rex is intended as, or shall be considered or construed as, advice. Please refer to Section 4 for a summary of some of the risks you should consider when choosing whether to use our Services.

7.3. Order Confirmation

Before an Order is placed, the Services will generate and display a confirmation dialogue box summarizing the details of the proposed transaction, including type and amount of Tokens you are seeking to dispose of, the type and amount of Tokens that you are willing to accept in exchange for the Tokens you are seeking to dispose of, Hitech Pro4rex's estimated fees if the entire Order were to be executed, and the total number and type of Tokens that will be transferred out of your Hosted Wallet if the entire Order were to be executed. Your Order will be placed upon confirmation of the Order summary via the Services. Notwithstanding the foregoing, you agree that the failure of the Services to provide such Order summary or confirmation shall not prejudice or invalidate any Order submitted by you or any Trade completed based on such Order.

7.4. Order Matching and Trade Execution

Upon placement of an Order, your Hitech Pro4rex Account will be updated to reflect the open Order and your Order will be included in Hitech Pro4rex's order book for matching with Orders from other users. If all or a portion of your Order is matched with another user, the Services will execute a Trade. Upon execution of a Trade, your Hitech Pro4rex Account will be updated to reflect that the Order has either been closed due to having been fully executed, or updated to reflect any partial fulfillment of the Order. Orders will remain open until fully executed or cancelled in accordance with Section 7.5 below. For purposes of effectuating a Trade, you authorize Hitech Pro4rex to take temporary control of the Tokens that you are disposing of in the Trade.

7.5. Cancellations

You may only cancel an order initiated via the Services if such cancellation occurs before your Order has been matched with an Order from another user. Once your Order has been matched with an Order from another user, you may not change, withdraw, or cancel your authorization for Hitech Pro4rex to complete such Order. If any order has been partially matched, you may cancel the unmatched portion of the Order unless and until the unmatched portion has been matched. Hitech Pro4rex reserves the right to refuse any cancellation request associated with a market Order after you have submitted such Order.

7.6. Insufficient Tokens

If you have an insufficient number of Tokens in your Hosted Wallet to fulfil an Order, Hitech Pro4rex may cancel the entire Order or may fulfil a partial Order that can be covered by the Tokens in your Hosted Wallet (after deducting any fees payable to Hitech Pro4rex in connection with the Trade).

8. GENERAL SERVICE TERMS

8.1. Conditions and Restrictions

Hitech Pro4rex may, at any time and in its sole discretion, refuse any transfer request, Order or other transaction request submitted via the Services, impose limits on the amounts of transfers or Trades that can be completed on a daily or other periodic basis or impose any other conditions or restrictions upon your use of the Services, without prior notice. For example, Hitech Pro4rex may:

- (a) limit the number of open Orders that you can establish via the Services;
- (b) restrict transaction requests from certain locations; or
- (c) restrict withdrawals or trading if there is a reasonable suspicion of fraud, diminished capacity, inappropriate activity, or if Hitech Pro4rex receives reasonable notice that your ownership of some or all of the Tokens in your Hitech Pro4rex Account is in dispute.

8.2. Accuracy of Information

You must provide any information required by any screen displayed within the Services. You represent and warrant that all information you provide via the Services is accurate and complete.

8.3. Support for Tokens

Hitech Pro4rex retains the right, in its sole discretion, to determine whether to support transfer, storage or trading of any Token using the Services, and may discontinue or terminate any support for any Token at any time for any or no reason. Unless otherwise required by law or law enforcement, Hitech Pro4rex will make reasonable efforts to notify you of its decision to cease to support of a Token. If Hitech Pro4rex ceases to support transfer or storage of a particular Token using the Services, Hitech Pro4rex will use commercially reasonable efforts to notify you at least 14 days prior so as to afford you with an opportunity to transfer the affected Token from your Hosted Wallet to an External Address. If you do not transfer the affected Token out of your Hosted Wallet prior to cessation of support for the Token by Hitech Pro4rex, the Token may be lost due to your inability to access, transfer or otherwise control the Token. Hitech Pro4rex will not be liable to you for any losses, liability or expenses related to its decision to cease any support for any Token.

8.4. Derivative Protocols

Unless Hitech Pro4rex notifies you or makes a public statement to the contrary, Hitech Pro4rex does not support Derivative Protocols and you should not use your Hitech Pro4rex Account to attempt to transfer, store, trade or engage in any other type of transaction involving a Derivative Protocol. Hitech Pro4rex will have no responsibility or liability whatsoever in respect to any Derivative Protocol.

8.5. Compliance with Law; Taxes

You are responsible for complying with all applicable laws related to your trading activities and other use of the Services, including without limitation any reporting obligations and payment of all applicable taxes. You will determine what, if any, taxes apply to the Trades and any other transactions you complete via the Services, and it is your responsibility to report and remit the correct tax to the appropriate tax authority. Hitech Pro4rex is not responsible for determining whether taxes apply to your Trades or for collecting, reporting, withholding, or remitting any taxes arising from any Trades.

8.6. AML/KYC Compliance

As a registered Money Services Business, Hitech Pro4rex maintains an internal anti-money laundering and know your customer compliance program ("AML/KYC Program"). The AML/KYC Program is a risk-based program founded on requirements of the Bank Secrecy Act, other anti-money laundering laws and implementing regulations, and guidance promulgated by the Financial Crimes Enforcement Network. This AML/KYC Program may be updated from time-to-time, including the procedures that Hitech Pro4rex uses to verify its customers' identities.

8.7. Error Correction Attempts

Hitech Pro4rex may, at its option and discretion, attempt to correct, reverse or cancel any Order, Trade or transfer with respect to which Hitech Pro4rex has discovered that there was an error, whether such error was by you, Hitech Pro4rex or a third party. You hereby authorize Hitech Pro4rex to attempt any such correction, reversal or cancellation described in the preceding

sentence. Hitech Pro4rex provides no guarantee or warranty that any such attempt will be successful and will have no responsibility or liability for the error or any correction attempt.

8.8. Unclaimed Property

If your Hitech Pro4rex Account has been inactive and you have not responded to reasonable attempts by Hitech Pro4rex to contact you for a period of several years (as defined by the relevant state statutes), Hitech Pro4rex may have an obligation to report any Tokens in your Hosted Wallet to the applicable governmental entity as unclaimed property. If this happens, Hitech Pro4rex will attempt to contact you using the contact information provided by you. If you do not respond, Hitech Pro4rex may be obligated to turn over any Tokens in your Hosted Wallet to the applicable governmental entity after deducting any fees payable to Hitech Pro4rex.

8.9. Property Disputes

If Hitech Pro4rex receives notice that any Tokens held in your Hosted Wallet are alleged to have been stolen or otherwise are not lawfully possessed by you, Hitech Pro4rex may, but has no obligation to, place an administrative hold on the affected Tokens or your Hosted Wallet. If Hitech Pro4rex does place an administrative hold on some or all of your Tokens, Hitech Pro4rex may continue such hold until such time as the dispute has been resolved and evidence of the resolution acceptable to Hitech Pro4rex has been provided to Hitech Pro4rex in a form acceptable to Hitech Pro4rex. Hitech Pro4rex will not involve itself in any such dispute or the resolution of the dispute. You agree that Hitech Pro4rex will have no liability or responsibility for any such hold, or for your inability to withdraw Tokens or execute Trades during the period of any such hold.

8.10. Token Promotions

You are responsible for doing all things and taking all actions necessary to enable or receive financial or other benefits made available to Token holders. For example, and without limitation, if new or additional Tokens are provided (whether by "airdrop" or other means) to holders of a Token, it would be your responsibility to claim the Tokens and to designate the wallet address for such Tokens to be delivered. Hitech Pro4rex has no responsibility to enable, facilitate or help with claiming or receiving any such Tokens or other benefits. For more information, please see our FAQ posted here.

8.11. Unacceptable Use or Conduct

You will not: violate any law, regulation, contract, intellectual property or other third-party right, or commit a tort while using the Services; use the Services in any manner that could interfere with, disrupt, negatively affect, or inhibit other users from fully enjoying the Services, or that could damage, disable, overburden, or impair the functioning of the Services in any manner; use the Services to pay for, support, or otherwise engage in any illegal gambling activities, fraud, money-laundering, or terrorist activities, or other illegal activities; use any robot, spider, crawler, scraper, or other automated means or interface not provided by Hitech Pro4rex to access the Services or to extract data; use or attempt to use another user's account without authorization; attempt to circumvent any content filtering techniques Hitech Pro4rex employs, or attempt to access any service or area of the Services that you are not authorized to access; introduce to the Services any malware, virus, trojan worms, logic bombs, or other harmful material; develop any third-party applications that interact with our Services without our prior written consent, or unless otherwise agreed; provide false, inaccurate, or misleading information; post content or communications that are, in our sole discretion, libellous, defamatory, profane, obscene, pornographic, sexually explicit, indecent, lewd, vulgar, suggestive, harassing, hateful, threatening, offensive, discriminatory, bigoted, abusive, inflammatory, fraudulent, deceptive or otherwise objectionable; post content containing unsolicited promotions, political campaigning, or commercial messages (SPAM) or any chain messages or user content designed to deceive or trick the user of the Service; post content containing private information of any third-party including, but not limited to, addresses, phone numbers, email addresses, Social Security numbers and credit card numbers; or encourage or induce any third party to engage in any of the activities prohibited under this Section.

9. FEES

You agree to pay Hitech Pro4rex the fees described in the fee schedule ("Fee Schedule"), as

periodically updated by Hitech Pro4rex at Hitech Pro4rex's discretion. The updated Fee Schedule will apply prospectively to any Trades or other transactions that take place following the effective date of such updated Fee Schedule. You authorize Hitech Pro4rex to remove Tokens from your Hosted Wallet for any applicable fees owed by you under these Terms.

10. CHANGES; SUSPENSION; TERMINATION

10.1. Changes to Services Hitech Pro4rex may, at its discretion and without liability to you, with or without prior notice and at any time, modify or discontinue, temporarily or permanently, all or any portion of any Services.

10.2. No Liability

Hitech Pro4rex will not be liable for any losses suffered by you resulting from any modification of any Services or from any suspension or termination of your access to all or a portion of any Services (whether pursuant to this Section 10 or for any other reason). If and when Services resume, you acknowledge that Token valuations and exchange rates may differ significantly from the valuations and rates prior to such event.

10.3. Effect of Termination

In the event of discontinuation of all Services or other termination of your right to access all Services: (a) all amounts payable by you to Hitech Pro4rex will immediately become due; (b) Hitech Pro4rex may delete or deactivate your Hitech Pro4rex Account and all related information and files in such account without liability to you; and (c) Hitech Pro4rex may cancel any open Orders or other transaction requests that are pending at the time of discontinuation or termination. In the event of discontinuation or termination of all Services or discontinuation or termination of transfer or storage Services for all or some Tokens, Hitech Pro4rex will use commercially reasonable efforts, unless prohibited in order to comply with applicable laws or regulations or by order of law enforcement or other governmental authority, to provide you with a period of 90 days to remove the affected Tokens from your Hosted Wallet.

11. ELECTRONIC NOTICES

11.1. Consent to Electronic Delivery

You consent to receive electronically all communications, agreements, documents, receipts, notices, and disclosures (collectively, "Communications") that Hitech Pro4rex provides in connection with this Agreement, your Hitech Pro4rex Account or any Services. You agree that Hitech Pro4rex may provide these Communications to you by posting them via the Services, by emailing them to you at the email address you provide, sending them using an app or other messaging service to your account on the app or messaging service, and/or by sending an SMS or text message to a mobile phone number that you provide. Your carrier's normal, messaging, data, and other rates and fees may apply to any mobile Communications. You should maintain copies of electronic Communications by printing a paper copy or saving an electronic copy. You may also contact Hitech Pro4rex's Support Team to request additional electronic copies of Communications or, for a fee, paper copies of Communications (as described below) by filing a support request at <https://hitechpro4rex.com.com>.

11.2. Hardware and Software Requirements

In order to access and retain electronic Communications, you will need a computer with an Internet connection that has a current web browser with cookies enabled and 128-bit encryption. You will also need to have a valid email address on file with Hitech Pro4rex and have sufficient storage space to save past Communications or an installed printer to print them.

11.3. Withdrawal of Consent

You may withdraw your consent to receive electronic Communications by sending a withdrawal notice to our Support Team by filing a support request at <http://www.Hitech Pro4rex.com.com>. If

you decline or withdraw consent to receive electronic Communications, Hitech Pro4rex may suspend or terminate your use of the Services.

11.4. Requesting Paper Copies

If, after you consent to receive Communications electronically, you would like a paper copy of a Communication that Hitech Pro4rex previously sent you, you may request a copy within 30 days after the date Hitech Pro4rex provided the Communication to you by contacting Hitech Pro4rex at <https://Hitech Pro4rex.com.com>. In order for Hitech Pro4rex to send paper copies to you, you must have a current street address on file with Hitech Pro4rex. Please note that our Services operate exclusively online and it is very burdensome for Hitech Pro4rex to produce paper copies of Communications. Therefore, if you request paper copies, you agree that Hitech Pro4rex may charge you a processing fee, in the amount described in the Fee Schedule at Hitech Pro4rex for each page of Communication requested.

11.5. Updating Contact Information

It is your responsibility to keep your email address and/or mobile phone number on file with Hitech Pro4rex up to date so that Hitech Pro4rex can communicate with you electronically. If Hitech Pro4rex sends you an electronic Communication but you do not receive it because your email address or mobile phone number on file is incorrect, out of date, blocked by your service provider, or you are otherwise unable to receive electronic Communications, Hitech Pro4rex will be deemed to have provided the Communication to you. Please note that if you use a spam filter that blocks or re-routes emails from senders not listed in your email address book, you must add Hitech Pro4rex to your email address book so that you will be able to receive the Communications Hitech Pro4rex sends to you. You can update your email address, mobile phone number, or street address at any time by filing a support request at <https://Hitech Pro4rex.com.com>. If your email address or mobile phone number becomes invalid such that electronic Communications sent to you by Hitech Pro4rex are returned, Hitech Pro4rex may deem your account to be inactive, and you may not be able to complete any transaction via our Services until Hitech Pro4rex receives a valid, working email address or mobile phone number from you.

18. DISPUTE RESOLUTION; ARBITRATION; WAIVER OF CLASS ACTION

With the exception only of disputes related to the enforcement or validity of Hitech Pro4rex's intellectual property rights, all disputes, controversies or claims arising out of or relating to these Terms or the Services, will be resolved through confidential binding arbitration held in Seattle, Washington in accordance with the Streamlined Arbitration Rules and Procedures ("Rules") of the Judicial Arbitration and Mediation Services ("JAMS"), which are available on the JAMS website and hereby incorporated by reference. You acknowledge and agree that you have read and understand the rules of JAMS or waived your opportunity to read the rules of JAMS and any claim that the rules of JAMS are unfair or should not apply for any reason.

You agree that any dispute arising out of or related to these Terms or the Services is personal to you and Hitech Pro4rex and that any dispute will be resolved solely through individual arbitration and will not be brought as a class arbitration, class action or any other type of representative proceeding. You agree that these Terms involve matters affecting interstate commerce and that the enforceability of this Section 18 will be substantively and procedurally governed by the Federal Arbitration Act, 9 U.S.C. § 1, et seq. (the "FAA"), to the maximum extent permitted by applicable law. As limited by the FAA, these Terms and the JAMS Rules, the arbitrator will have exclusive authority to make all procedural and substantive decisions regarding any dispute and to grant any remedy that would otherwise be available in court; provided, however, that the arbitrator does not have the authority to conduct a class arbitration or a representative action, which is prohibited by these Terms.

The arbitrator may only conduct an individual arbitration and may not consolidate more than one individual's claims, preside over any type of class or representative proceeding or preside over any proceeding involving more than one individual. You agree that for any arbitration, the party filing the claim will pay the filing fee and the parties will split the remaining JAMS fees and costs. Judgment upon any arbitration award may be entered and enforced in any court of competent jurisdiction. Otherwise, you and Hitech Pro4rex agree that the state or federal courts in King County, Washington have exclusive jurisdiction over any appeals and the enforcement of an arbitration award.

WITH RESPECT TO DISPUTES SUBJECT TO ARBITRATION PURSUANT TO THIS SECTION 18, BOTH YOU AND Hitech Pro4rex ARE GIVING UP THE RIGHT TO LITIGATE (OR PARTICIPATE IN AS A PARTY OR CLASS MEMBER) THOSE DISPUTES IN COURT BEFORE A JUDGE OR JURY.

19. GOVERNING LAW

The interpretation and enforcement of these Terms, and any dispute related to these Terms or the Services, will be governed by and construed and enforced in accordance with the laws of State of Washington, without regard to conflict of law rules or principles (whether of Washington or any other jurisdiction) that would cause the application of the laws of any other jurisdiction. You agree that Hitech Pro4rex may initiate a proceeding related to the enforcement or validity of Hitech Pro4rex's intellectual property rights in any court having jurisdiction. With respect to any other proceeding that is not subject to arbitration under these Terms, the federal and state courts located in King County, Washington will have exclusive jurisdiction. You waive any objection to venue in any such courts.
